

## Our Mission

St. Agnes Catholic School was established in 1865 and has been served by the Congregation of Sisters, Servants of the Immaculate Heart of Mary of Scranton, Pennsylvania since 1933. The school is a vital part of the parish and serves a diverse community of learners in the formation of the whole person as an active witness of the Church through Message, Worship, Community and Service.

We recognize each child as a unique individual, and we seek to help all students achieve their full potential by utilizing a variety of teaching methods and materials in a Christian setting.

St. Agnes School strives to produce individuals who will "...be imitators of God, as beloved children and live in love as Christ loved us."  
(Eph. 5:1-2)
