### Things You Need to KNOW:

#### St. Agnes Star of the Week

**Nurse Anna Conaway** is this week's Star of the Week. Nurse Conaway has had to deal with challenges and obstacles since the opening of school. She has worked hard to make all families, teachers, staff, and students feel safe. We are happy to have Nurse Conaway to help our school stay safe in these unprecedented times. Thank you, Nurse Conaway.

#### PBIS

St. Agnes is a proud PBIS school. PBIS stands for Positive Behavioral Interventions and Supports and we are happy to recognize, encourage and reward positive behaviors. At St. Agnes, we have adopted the following values code for our school: Be Safe, Be Courteous, Be Responsible and Be a Disciple of Christ. Our teachers began our new system for the 2020-21 School Year. Students who exhibit safe, courteous, responsible or Christ-like behaviors will be rewarded with Bear Paws (virtual points). Paws will be counted and tracked. Students will be able to choose rewards on a weekly basis. Classes can be rewarded at the end of the month, if they meet their goal. And the whole school can be rewarded at the end

of the trimester, if we meet our goal. Please talk about positive behaviors at home and encourage your students to demonstrate positive behavior at school.

#### Online Band Program

Mr. Baker would like to invite any parents of students in grades 5-8 who would be interested in online band instruction to join him for an information meeting Thursday, Oct. 22nd at 6:30pm on Zoom. Here is the meeting information:

If you are unable to attend, please email [dbaker@stagnesschool.net](mailto:dbaker@stagnesschool.net).

#### Halloween

Even though there are many restrictions on what we can do, we still want to make it a fun day. Students will participate in a pumpkin run during recess and will race for a first prize winner! Students can also wear costumes; however, masks will still need to be worn throughout the school day for In-Person learners. No other over-the-face head wear should be worn due to safety precautions.

## Things You Are Asked to DO:

### 2020 Race for Education

Our 3<sup>rd</sup> Annual Race for Education will be held on Friday, November 20. Our goal is \$25,000 and we know we can do it! Each family is asked to raise \$200 by asking friends, family members, neighbors and co-workers to sponsor them by making a donation that is tax-deductible. If you meet your goal, you will receive 10 Volunteer Hours for your contributions!

Due to COVID, we are going to encourage online and email requests for donations; however, should you wish to have a letter mailed to your friends and family members, there are two options to mail. You can do the mailing yourself for extra volunteer hours, or send us the addresses via Google Form and we will send it out for you.

Please contact Katie Wilder with any questions. Thank you in advance for all of your support to help us reach our goal!

### Trimester 2 Learning Intent Form

Trimester 2 begins on November 30 and you will again be able to choose for your families. Please complete the form by Friday, November 6. You will choose an option for the duration of Trimester 2 with the only exception being that you may switch from In-Person to Remote at any time, just not vice versa. Families will complete Intent Forms for Trimester 3 in February.
