ST. AGNES SCHOOL BOARD

The St. Agnes Catholic School Board would like to welcome you to St. Agnes. Our dedicated faculty and staff create an environment that will nurture the mind, body, and spirit of your child as he or she grows and develops from pre-school through the all-important middle school years. We are thankful that you have entrusted the education of your child to us, and look forward to working in partnership with you as we embark on another school year.

To create an opportunity for each child to grow and flourish to his or her potential within our faith-based community, there are certain expectations and standards to which all must adhere. The parent handbook outlines many of the expectations, rights, and responsibilities of students, faculty, administration, and parents. Please review it carefully; these are policies that will be followed throughout the school year. Questions may arise in the course of the year that are not addressed in the handbook; please feel free to contact the School Administration with any questions you may have or concerns that you may have.

Looking forward to a happy and productive school year, we remain in Christ,

St. Agnes Catholic School Board

Mr. Mike Forest, Chair
Fr. Isaac Makovo, Canonical Representative
Ms. Arlisa S. Ledbetter, Principal
Mrs. Kathy Acosta
Mrs. Joanne Rutkowski
Mr. Terry Graham
Sister. Mary Madeline, OP

School Governance (Limited Jurisdiction)

St. Agnes School Board follows a governance model that is deliberative, assists in leadership, and makes key decisions on budget, development, marketing and strategic planning. Within this model, the Pastor of the St. Agnes Parish serves as the Canonical Representative – a spiritual leader who oversees the Catholic Identity of the School.

All financial and other obligations for children transferring from other Catholic and Private schools must be met before the child will be admitted to St. Agnes Catholic School.

SCHOOL RECORDS AND CONFIDENTIALITY

FERPA Policy

St. Agnes Catholic School complies with the Family Educational Rights and Privacy Act (FERPA), which is a Federal law that protects the privacy of student education records. In general, FERPA gives parents certain rights with respect to education records. (The rights granted to parents under FERPA automatically pass to the student when the student turns 18 or enrolls in college.) These rights and related procedures of St. Agnes Catholic School are as follows:

- Parents have the right to inspect and review the student's education records maintained by St. Agnes Catholic School. Parents should submit to the Principal a written request that

identifies the record(s) they wish to inspect. The School will make arrangements for access and notify the parent of the time and place where the records may be inspected.

- Parents have the right to request that the school correct records they believe are inaccurate, misleading, or otherwise in violation of the student's privacy rights. Parents who wish to request an amendment of the student's records should write to the Principal and clearly identify the part of the record they believe is inaccurate or misleading and the information they believe should be included in a corrected record. If the School decides not to amend the record as requested, the School will notify the parent of the decision and the parent's right to request a hearing.
- Parents generally have the right to consent in writing to disclosures of information from a student's education record. However, there are certain exceptions to the consent requirement, including disclosures under the following conditions:
 - To school officials who have a legitimate educational interest in the information. A school official is a person employed by the School or the Archdiocese as an administrator, supervisor, instructor, or support staff member (including health or medical staff); a person or company with whom the school has contracted to provide a service (e.g., attorney); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibilities or duties to the school.
 - To other schools to which a student is transferring.
 - In connection with financial aid under certain circumstances.
 - To specified officials for audit or evaluation purposes.
 - To organizations conducting certain studies for or on behalf of the school.
 - To accrediting organizations.
 - In order to comply with a judicial order or lawfully issued subpoena.
 - To appropriate officials in cases of health and safety emergencies.

"It is the policy of the State of Maryland that all public and publicly funded schools and school programs operate in compliance with:

(1) Title VI of the federal Civil Rights Act of 1964; and

(2) Title 26, Subtitle 7 of the Education Article of the Maryland Code, which states that public and publicly funded schools and programs may not:

i. Discriminate against a current student, a prospective student, or the parent or guardian of a current or prospective student on the basis of race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability;

ii. Refuse enrollment of a prospective student, expel a current student, or withhold privileges from a current student, a prospective student, or the parent or guardian of a current or prospective student because of an individual's race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability; or

iii. Discipline, invoke a penalty against, or take any other retaliatory action against a student or parent or guardian of a student who files a complaint alleging that the program or school discriminated against the student, regardless of the outcome of the complaint.”

School Directory

St. Agnes Catholic School also may disclose appropriately designated "directory information" without written consent unless a parent objects in writing. The primary purpose of directory information is to allow the School to include this type of information in certain publications. Examples of such publications include a playbill, showing the student's role in a drama production; the annual yearbook; honor roll or other recognition lists; graduation programs; and sports activity sheets.

St. Agnes Catholic School has designated the following as directory information:

- Student's name
- Participation in officially recognized activities and sports
- Photograph
- Honors and awards received
- Dates of attendance
- Grade level

Parents who do not want the St. Agnes Catholic School to disclose the above directory information without their prior written consent must notify the Principal in writing by September 16th.

Parents have the right to file a complaint with the U.S. Department of Education concerning alleged failures by St. Agnes Catholic School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-8520.

Photos/Videos of Students

Parents who DO NOT want the School to post or provide images, videos or work of their child(ren) on the school website, social media platforms or to a media outlet, must notify the school by completing this Google Form. Please note if you do not submit this form, it will be interpreted as an agreement to allow the school to provide or post such images, videos or work of your student. Of important note, we do not use student names when visual images of our students are posted publicly. With all this being said, if your family DOES NOT authorize the use of your child's image, please complete and submit this form by September 15th.

St. Agnes School regularly publishes information about school activities or student accomplishments including first names, pictures, videos, and/or student work. Publications include both print and online media. **Parents who do not want the School to publish images, videos or work of their child(ren) must notify the Principal in writing by September 15th.**

Tuition and Fees

The tuition plan for St. Agnes Catholic School is published annually. **Application, enrollment and re-enrollment and registration fees are non-refundable. All tuition paid to St. Agnes Catholic School is non-refundable. Students who withdraw at any time, whether voluntarily or involuntarily are not eligible for refunds.**

All tuition must be paid in full by May 30th or report card packets, student academic records and graduation diplomas will be withheld. All families must meet their financial obligations on a prompt and regular basis or late fees will be applied. Three payment options (annual, semi-annual, and monthly) are extended and each family is asked to choose the option that is best for it.

St. Agnes Catholic School uses FACTS Tuition Management to collect tuition. Enrollment in FACTS Tuition is mandatory for all families unless the entire year's tuition and all school fees are paid by July 15th prior to the beginning of the school year or at the time of registration. St. Agnes Catholic School reserves the right to suspend a student and to withhold all official school records if the parents have not met all financial obligations. A fee of \$45.00 will be charged for returned checks. In the case of more than one returned check during the school year, only cash will then be accepted.

If a student enters the school during the school year, tuition and financial assistance (if applicable) will be prorated based on month.

Tuition is expected to be paid on the scheduled date as noted in FACTS. Failure to do so will bring about the following responses:

1. A missed payment will receive a phone call from a member of the school office staff.
2. Should a family receive permission to move their payment date, they are expected to become current on the agreed upon date.
3. Access to the parent portal in Power School will be denied for any payment that exceeds 30 days past due.
4. Any family who is not current with their financial obligations (tuition and/or fees) at any point in the year, will not receive a copy of their child's Interim Progress Report or Trimester Report Card until at which time the family becomes current.
5. Any family who has received an adjusted payment plan, must adhere to that plan or risk disenrollment from the school.
6. A student disenrolled for financial reasons is not eligible to return to St. Agnes until all tuition and fees have been paid and the principal approves of the re-enrollment of the student.

If all financial and volunteer obligations have not been met, eighth grade students will not be eligible to:

- Participate in the activities planned for the graduating class
- Attend the eighth grade field trip
- Participate in the Baccalaureate Mass or Graduation Ceremony
- Academic records will not be forwarded to the student's high school

Families who are not current with their financial obligations to the school are not provided enrollment priority for the 2024-2025 school year. Moreover, failure to remain current with these obligations will likely result in the loss of secured enrollment for the 2024-2025 school year.

General Regulations

The principal reserves the right to institute any rule or policy at any time without amending the handbook in order to ensure the safety of the children, advance the academic mission of the school, or strengthen the children's religious formation.

Virtus: Child/Youth Protection

The Archdiocese of Baltimore is committed to providing a safe environment for children entrusted to the Church's care. St. Agnes Catholic School follows the policy of the Archdiocese of Baltimore regarding volunteer training and screening.

All volunteers and chaperones must complete the Archdiocese of Baltimore Application for Volunteer Service, the Volunteer Criminal History Screening Consent Form and have completed the VIRTUS online training. If a volunteer applicant refuses to complete any part of the screening or training, he/she cannot serve as a volunteer.

Use of School Grounds

No one is permitted on school grounds unsupervised at any time before or after school. This prohibition includes weekends and holidays.

School Day

The school day begins promptly at 8:00 AM. Dismissal procedures occur at 3:00 PM. Any parent(s) or visitor(s) in either building must report to the school office. If a parent must speak to a teacher, it should not be done in the context of the school day during class time.

Students should not arrive before 7:45 AM or remain after 3:00 PM

The school is not responsible for supervision of students before or after the times stated above, and the school is not liable for any injuries or accidents which may occur. This is required by insurance coverage and is done for the safety of the children. Parents are advised, therefore, to follow the times as stated above. If this policy is not regularly followed, parents will be required to pay for the services of Extended Care or child supervision. Please see the Extended Care section for more details.

If the student is participating in a scheduled, supervised activity before or after the hours noted above, specific arrangements must be made for drop-off and/or pick-up at the designated times.

Half Day Dismissals

When St. Agnes Catholic School has a half-day, dismissal is at 12:00 PM. Students should not remain after 12:05 PM. Extended care is open until 6:00 PM and students must be pre-registered in advance.

Half Days – NO Extended Care

Friday, September 1, 2023

Wednesday, November 22, 2023

Thursday, March 28, 2024

Care of School/Church Property

Students are expected to take proper care of all school textbooks and material. School textbooks are to be covered at all times. Middle School Students are expected to use their lockers for their textbooks and other belongings.

Loss of, or damage to, any school textbook or library book, or technology device will be subject to replacement or a fine covering the cost of the item.

School furniture, equipment and property are to be cared for responsibly and any damage or defacement will be penalized. Parents/Guardians will be expected to assume the cost of necessary repairs or replacement. Potentially harmful and dangerous items will not be permitted on the premises at any time or at any school related function. Possession of such an item may result in immediate suspension or expulsion.

Absenteeism

When your child is absent, the school receptionist should be contacted via phone or email by 9:00 AM. If the parent makes no contact, the school receptionist will contact the parent at home or work to confirm the absence. If a child is absent for three or more consecutive days, a physician's note must be obtained before returning to school.

Excessive absence or lateness may result in a parent/student/administrator conference, afterschool make-up time, or retention. The Compulsory School Attendance Laws of Maryland require that you see that your child arrives and attends school on a daily basis. Absences are excused with proper documentation for any of the following reasons: 1) Death in the family, 2) Court summons, and 3) Personal illness. Parents are asked not to take children out of school for appointments, etc. In cases where this is a necessity, the parent must email the school receptionist indicating the person who will pick-up the student(s) along with the time etc. The parent must come to the school office to sign-out and pick-up the child. Under no circumstance will a child be permitted to leave otherwise.

If a student is absent from school for any reason, he/she may not participate in after school activities (athletic games, practices, Middle School social events, etc.)

Missed Work Due to Absence

It is the responsibility of the student, under the supervision of the parent to make up work that has been missed due to absence. Parents may call or email the school receptionist by 9:00 am to request homework when a student is absent. In such a case, homework items (not available on-line) for absent students will be delivered to the school office, where it may be picked up before 3:30pm. Students have one day per day absent to make up work. Middle school students are encouraged to see each teacher immediately upon returning to school to find out about missing assignments and to develop a plan to accomplish them. Older students are encouraged to exchange phone numbers with a responsible classmate in each of your courses to discuss missed assignments.

Any planned vacation absences when school is in session is **strongly discouraged**. If such an absence does occur, please notify your child's teachers of an extended absence via letter or email. Work will be available upon return.

If a student is absent 20 days or more this will result in a grade level retention.

Middle School Assignment Expectations

ALL Middle School assignments have a due date. If the assignment is not turned in by the due date, the assignment will have a **2-point deduction** for each day it is late. After **3 days** the assignment will not be accepted and a zero will go into the gradebook. Missing Assignments will follow the same guidelines as above.

Tardiness

Students may arrive for official drop-off at 7:45AM. **The school day begins promptly at 8:05 AM.** Parents must escort children to the office to receive a late pass for admittance to their classroom. Students will not be admitted to class if they are not signed in by a parent. Children arriving after 9:45 AM are considered to be absent ½ day.

It is important that children arrive on time each day since tardiness can create a difficult start to the day for the child and disrupt the learning environment for all children. **Please note that multiple tardy infractions will result in an assigned recess detention for each additional tardy.** Furthermore, if a child is consistently tardy, a parent/administrator conference will be scheduled.

Emergency Forms

Each student is expected to have an emergency form on file in the school office. Students will only be dismissed to the parent/guardian, those adults listed on the emergency form, or an adult designated by the parent in writing, fax, e-mail or verified phone call.

It is essential that all information on the emergency form in the school office is kept accurate and up to date at all times. The school office should be notified in writing immediately should there be a change of address or telephone number (home and business).

Birthday and Special Occasions

If a parent chooses to send a simple snack or cupcake to be enjoyed at snack time, they are asked to make arrangements with the homeroom teacher at least one day in advance. Ice cream or frozen treats are not allowed, unless purchased through our Hot Lunch Program.

Custodial Information

Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the principal's office. The school will not be held responsible for failing to honor court-certified arrangements that are not on file in the office.

Early Dismissal

Requests for early dismissal must be submitted in writing to the school receptionist via email to include the name of the pick-up person and time. **Five or more early dismissal requests will result in possible grade level retention.**

Anyone coming to pick up children for early dismissal must report to the office where he/she must:

1. Show a photo ID and

2. Sign the child out

Students will only be dismissed to the parent/guardian, those adults listed on the emergency form or an adult designated by the parent in writing via electronic mail.

Conferences

Our teachers are available for conferences at St. Agnes Catholic School and welcome the chance to discuss your child's progress with you.

Prior to the start of the school year as we begin to forge the partnership between school and home, we arrange Intake Conference meetings between parents and their child's teacher. This introductory meeting provides the faculty valuable insights about the student from the parent's perspective. The event (Ice Cream Social) will be held at 6:00 pm on the Friday before the first day of school.

Progress Reports are distributed three times a year. And during the mid-point of each trimester, Interim Progress Reports are sent home. For this reason, parent-teacher conferences will be held in October, January, and April as an invitation to discuss a student's progress during the mid-point of the Trimesters.

Outside of scheduled conference days, if either the teacher or the parent deems it necessary to meet, individual conferences can be requested by email. Prior to any conference, parents or guardians are expected to notify the office if anyone other than the designated personnel are to be included in the conference.

Curriculum and Instruction

The instructional program and curriculum are delivered in concert with the Archdiocesan Course of Studies and the regulations of the Maryland State Department of Education for non-public schools.

The curriculum offers instruction in Religion, Language Arts and Reading, Math, Science and Social Studies, Art, Music, Physical Education, Technology and Spanish. Our curriculum is based on national standards in all the subjects previously listed.

The curriculum emphasizes growth in all areas of development, challenging and supporting the child spiritually, socially, emotionally and cognitively. Children learn through a wide variety of experiences, which offer opportunities to use and express multiple intelligences as well as a variety of learning styles. Instruction is directed in such a way so as to foster the development of critical thinking skills and creative problem solving.

Religion classes, other religious services, and Christian service experiences are required each year for all students, including non-Catholic children, who attend St. Agnes Catholic School.

Student Services

Student Advocacy Team (SAT) Referral Process

If a child is not progressing academically, the school may ask the parents to initiate or the parents may initiate on their own the process to request professional assistance from Child Find, a special education service provided by the Public School System for identifying children from ages three through twenty-one who are suspected of having an educational disability and who may be eligible for special education and related services.

The Student Advocacy Team (SAT) is available for children who may need further academic assistance. The SAT process begins with the collection of screening information to determine if there is a reason to suspect a disability under special education laws. Members of the SAT committee and St. Agnes Faculty are available to assist families during this process to determine whether or not an evaluation plan is necessary for the child.

If an evaluation plan is developed and the test results determine that there is a need for implementation of an Individualized Education Program (IEP), St. Agnes Catholic School administrator(s) will consult with the parents to determine the most appropriate academic placement for the child. A Student Accommodation Plan may be put in place, if needed, and all parents and teachers must sign off on this plan.

Counseling Support

In partnership with Catholic Charities of Baltimore, St. Agnes is assigned a school counselor through this highly regarded social services agency. This professional serves as the lead staff member in providing emotional, social and behavioral support by means of individual and group (in some cases) counseling services. The school counselor is also involved in presenting and discussing various topics to an entire class. As a customary policy, parents will be contacted by the counselor if the child meets with her/him more than two times on any one specific matter.

Title 1

In partnership with both Baltimore County and Baltimore City, St. Agnes Catholic School assists in the implementation of Title 1 services. This Federal Government sponsored program provides academic support to eligible and qualified students in need. To be considered eligible, a student must reside in a Title 1 school area. In addition, students qualify for such services if they demonstrate an academic concern based on standardized testing data, daily school work deficiencies and a teacher recommendation.

Assessments

Brigance Screening

Pre K and Kindergarten students are administered the BRIGANCE developmental screenings. This assessment not only offers information about the developmental skill level of each child, but in addition, it offers criteria for planning instruction that will meet the collective and individual needs of all children through both classroom and home activities. Assessment results will be shared with parents following the testing date.

Standardized Testing

Students in grades 2 - 8 will be administered the MAP Growth Assessment three times a year to measure growth. Students in grades 3, 5, and 7 also take the Science Assessment each Spring.

Assessment of Child/Youth Religious Education (ACRE)

All students in grades 5, 8, 9 and 12 are given the ACRE (Assessment of Child/Youth Religious Education) the spring of each school year. This assessment gives information for growth to each school as it assesses how well the religious education program is forming Christian disciples. This is a school assessment and no individual student scores are given.

Trimester Cumulative Exams

Middle School Students will have cumulative exams or a cumulative project in Religion, Language Arts, Math, Science, and Social Studies according to a published schedule. The middle school instructional team in collaboration with the administration will determine and publish the guidelines regarding the exam schedule.

Homework

Primary - Grade 5

Homework is an essential component of the learning and assessment process. Its purpose is to reinforce the skills that have been taught during the school day through independent practice. Students are required to complete their homework assignments and turn them in on the due date. Late assignments will be given reduced credit and if not completed by the 3rd day of its due date, will result in zero credit. In case of a student's excused absence, the student has one day to make up work for each day that he or she is absent.

Middle School

ALL Middle School assignments have a due date. If the assignment is not turned in by the due date, the assignment will have a **2-point deduction** for each day it is late. After **3 days** the assignment will not be accepted and a zero will go into the gradebook. Missing Assignments will follow the same guidelines as above.

PowerSchool

PowerSchool is a web-based student information system for grades PreK - 8. It serves as an excellent tool for communication among parents, teachers, and administrators.

Parents will receive account and password credentials to ensure security and provide access to their child/children's grades. Parents are encouraged to seek automatic weekly notification of their child's progress through PowerSchool. Grades are updated weekly. Parent access is available after October 1st.

Progress Reports

Observation and evaluation of a child's skills is an ongoing process, which warrants effective communication with the parent.

Teachers will communicate concerns regarding students in a timely manner, requesting a conference when necessary. Parents are asked to read the information provided by their child's teacher regarding the curriculum, special programs and projects as well as to assist children with homework and to regularly review class work as a part of the assessment process.

Each trimester a written progress report of the child's skills will be given to parents. Progress reports will be sent home in a parent envelope by way of the child's home folder. Students in grades 3 through 8 will receive interim progress reports generated from Power School. Parent conferences will be scheduled in the first and second trimester to discuss student progress. All fees and tuition need to be paid in full and all library books need to be returned before any report card will be released. Middle school students may have their final progress report mailed to them.

ARCHDIOCESAN ACCEPTABLE USE POLICY FOR THE INTERNET AND TECHNOLOGY TOOLS

Technology skills are necessary to ready our students for their future. Access to the Internet and technology tools (including software tools, web-based applications and services, computer equipment, Chromebooks, I-Pads, and other personal electronic devices) allow students to conduct research, produce digital content, and communicate with classmates and teachers. The Internet and technology tools put enormous power at the fingertips of users. As such, they also place a great deal of responsibility on users.

It is imperative that technology resources be used to build community, encourage critical thinking/reflection, and foster readiness for future learning. Developments in technology at the St. Agnes Catholic School are to be used ethically, legally, and responsibly. As in other areas, our students are expected to make good choices with regard to their behavior.

Individual users are responsible for their activity on the Internet and technology tools, including the material stored and information shared. In order to protect private and personal information, unauthorized disclosure, use, or dissemination of personal information is prohibited. St. Agnes

Catholic School reserves the right to edit Internet accounts for child-only configurations, and to run filtering software for students' protection.

The purpose of this policy is to ensure that student users (and their parents) recognize the limitations St. Agnes Catholic School imposes on the use of the Internet and technology tools and that they understand the standards of behavior the school expects of users.

All users of the school network and technology tools, whether on a St. Agnes Catholic School-owned or personal device, are responsible for adhering to the following guidelines for acceptable use.

Acceptable

Acceptable uses of the Internet and technology tools are for authorized academic and school-related activities that support learning and teaching and:

Harassment/cyber-bullying whether it is initiated on campus or off campus, online or in person, should be reported immediately to a faculty member, and may lead to disciplinary action and possible criminal prosecution under Maryland law prohibiting the Misuse of Interactive Computer Service (“Grace’s Law”).

Parents are responsible for:

- Reviewing and discussing this policy with their child as well as supporting St. Agnes Catholic School in its enforcement.
- Partnering with the school in monitoring their child’s technology use.
- Modeling appropriate Internet behaviors for their child.
- Reporting any concerns regarding this policy or their child’s use of the Internet or technology tools to St. Agnes Catholic School personnel.

Failure to adhere to the policy guidelines may result in a revocation of a student’s Internet access and other technology privileges and disciplinary action up to and including suspension or expulsion.

Web-based Services

St. Agnes Catholic School uses G-Suite applications (formerly Google Apps for Education) as well as other web-based education tools, sites, and services (“web-based services”) to provide students with important web-based educational experiences and enhanced opportunities to communicate and share collaboratively with one another. As part of students’ use of web-based services, certain educational records may be created, collected, or stored. Directory information, such as a child’s name, email address, grade/age, and enrollment status, may also be shared with web-based services. The school may access, monitor, and review children’s use of web-based services and Internet use. Students shall not have any expectation of privacy with respect to any communications or activities through such services. Use of web-based services is for educational purposes only and subject to the conduct and acceptable use guidelines set forth in this handbook. A list of the school’s web-based services and corresponding privacy policies are available upon request. By enrolling a child in St. Agnes Catholic School, the parent consents to the child’s participation in the school’s academic activities and programs, including the child’s use of and access to web-based services as described in this paragraph. In order to withhold or withdraw consent for the use of web-based services, parents must contact the principal in writing.

Failure to follow this policy will result in an automatic detention and required parent conference (by appointment only). If multiple offenses occur, the cell phone will no longer be permitted on campus. If a phone or any electronic device is brought to school, it is the complete responsibility of the student and the school is not responsible for loss or damage under any circumstances.

RESPECTFUL TREATMENT

St. Agnes Catholic School expects that each member of our community will value others with respect and dignity. The mistreatment of anyone in our school community: student, volunteer, teacher, office staff, administrator, parent, maintenance staff, and visitors will not be tolerated. ARCHDIOCESAN POLICY: HARASSMENT, INTIMIDATION AND BULLYING

Harassment or abuse of any kind is not acceptable behavior in St. Agnes Catholic School and will result in disciplinary action up to and including suspension/expulsion.

Policy

It is the policy of the Archdiocese to prohibit discrimination, including harassment, on the basis of race, color, sex, national origin, religion, age, disability or handicap, or protected activity (i.e., opposition to prohibited discrimination or participation in the complaint process) in its education programs and activities. Each Catholic school shall adhere to this policy with respect to students. (Employees are similarly protected from harassment by a separate Archdiocesan policy.)

St. Agnes Catholic School is a co-ed elementary school for grades Pre-K through 8. It does not discriminate on the basis of race, color, sex, national origin, religion, age, disability or handicap, gender identity or expression, or protected activity (i.e., opposition to prohibited discrimination or participation in the complaint process). The school is not required to adopt any rule, regulation, or policy that conflicts with its religious or moral teachings. Requests for reasonable accommodations for a student with a disability may be directed to the principal.

Religion is required for each year a student attends St. Agnes Catholic School. All students enrolled in St. Agnes Catholic School must attend religion classes and services. The school reserves the right to deny attendance to anyone whose behavior is contrary to the teachings and ideals of the school or whose behavior or attitude is disruptive to the functioning of the student body.

Scope of Policy

This policy applies to all students in Archdiocesan elementary, middle and secondary schools. The Archdiocese neither condones nor tolerates harassment of students at school, at school-related activities or functions, or in any school-related setting. Harassment of students, whether engaged in by other students, teachers, administrators, or others, is prohibited. Violation of this Policy is grounds for disciplinary action up to and including termination of employment or suspension or expulsion from school, depending on the nature and severity of the offense and the individual's disciplinary record.

Prohibited Conduct

For purposes of this Policy, "harassment" means verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his or her race, color, sex, national origin, religion, age, disability or handicap, or protected activity, that:

- Has the purpose or effect of creating an intimidating, hostile or offensive environment;
- Unreasonably interferes with an individual's academic performance; or
- Otherwise adversely affects an individual's educational opportunities.

Harassing conduct includes, but is not limited to, epithets, slurs, negative stereotyping, or threatening, intimidating or hostile acts that relate to race, color, sex, national origin, religion, age, handicap or disability. "Sexual" harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when submission to or rejection of such conduct is used as the basis for educational decisions or has the purpose or effect of unreasonably interfering with an individual's academic performance or creating an intimidating, hostile, or offensive environment.

Procedure

- Any person who believes that a student is being subjected to harassment should immediately report the harassment to any one or more of the following individuals: the student's teacher, the principal, the Superintendent of Catholic Schools. A [bullying/harassment form](#) should be filled out.
- Individuals are encouraged to report harassment early, before it becomes severe or pervasive, so that preventive action can be taken. All complaints will be investigated promptly, thoroughly and impartially, and will remain confidential to the extent possible.
- Any retaliation, reprisals, or intimidation, whether by the alleged harasser or from another source, directed toward the complaining party or anyone else as a result of the filing or investigation of a harassment complaint is considered a serious violation of this Policy and should be reported immediately.
- Once the investigation is complete, the school will take immediate and appropriate corrective action when it determines that this Policy has been violated. The complaining party and the complained-of party will be advised of the investigation's findings and conclusions. A report of the findings will be communicated to the Department of Catholic Schools.

Bullying Policy Statement

Bullying, harassment, or intimidation of any student on school property or at school-sponsored functions or by the use of electronic technology is prohibited in all Archdiocese of Baltimore Schools. Such behaviors are contrary to school life in a Christ-centered community, which respects the dignity and uniqueness of all of God's children. To foster a school environment where all students are educated in a safe and caring atmosphere, all Archdiocesan schools will follow established procedures for prevention and intervention.

Bullying, harassment, intimidation, or retaliation against anyone who has reported these behaviors is prohibited. Students engaging in these behaviors on school property, at school-related activities, off school property or after school hours when the behavior threatens or is likely to substantially disrupt or adversely affect the school-related environment for students or significantly impacts the interest of students or the school community are subject to disciplinary and/or legal action.

Students, parents, employees, and service providers are responsible for reporting incidents of bullying, harassment, intimidation, or retaliation. A standardized reporting form is available from the School Office. School principals will ensure that all illegal behaviors are reported to the appropriate local authorities and the Superintendent of Catholic Schools immediately.

As used in this policy, "bullying, harassment, or intimidation" means intentional conduct, including verbal, physical, or written conduct or an intentional electronic communication that creates a hostile educational environment by substantially interfering with a student's educational benefits, opportunities, or performance, or with a student's physical or psychological well-being and is:

- motivated by an actual or a perceived personal characteristic including race, national origin, marital status, sex, sexual orientation, gender identity, religion, ancestry, physical attributes, socioeconomic status, familial status, or physical or mental ability or disability; or threatening or seriously intimidating; and occurs on school property, at a school activity or event, or on a school bus; or substantially disrupts the orderly operation of a school.

The principal or designee will notify the parent/guardian of the alleged victim of a report of bullying, harassment or intimidation within three (3) business days after the incident is reported.

The principal or designee will notify the parent/guardian of the alleged perpetrator of a report of bullying, harassment or intimidation within five (5) business days after the incident is reported.

Reporting forms are located in the main office and on the school's website. (Please make sure that a link to the bullying form is posted both here and on your school website). Refer to the bullying policy here [Bullying Policy SS 6.0](#)

STATEMENT ON PHILOSOPHY OF DISCIPLINE

St. Agnes Catholic School strives to develop responsible, courteous, self-disciplined boys and girls who take pride in themselves, their parents, their school, and their community. The development of young people requires a consistent practice of thoughtful, responsible behavior during these formative years. Students are made aware that they are an integral part of the faith community and that their actions affect themselves as well as the entire community. The ultimate purpose is to develop true Christian character and a sense of responsibility: to establish an atmosphere conducive to academic excellence; and to protect the welfare and dignity of the individual, as well as that of the school community.

Students may be disciplined for conduct that occurs on school premises, school-sponsored events, and/or for other conduct that adversely affects the interests or reputation of the school regardless of where the conduct occurs.

Detention

After school detention will be held from 3:15 PM to 4:15 PM. Children serving detention will not be permitted to attend extended care the day that the detention is served. Failure to attend detention

sessions as scheduled may result in the assignment of additional time or suspension. The detention period will require the student to complete assigned work that might be academic or reflective in nature; and may also include service to the school.

In or Out of School Suspension

Suspension may be given to a student in cases of serious or repeated misconduct. A suspension period can remove a student from class for one or more days. During an in-school suspension, the student will be removed from their regularly scheduled class and supervised by a staff member. During an out-of-school suspension, parents provide supervision of the student off campus. Students must complete all assignments given during the suspension period. While suspended, the student is ineligible to attend or participate in any school sponsored activity. In addition, the student may be placed on disciplinary probation for a time period that is determined by the principal. After the specified amount of time for suspension, the student and the parent(s)/guardian(s) will meet with the administration for reinstatement.

Any student suspended for any reason will be excluded from the honor roll, participation in special school activities – field trips, field days, school sports events and/or special class activities, or any other event or activity at the discretion of the principal.

Administration reserves the right to determine the conditions for reinstatement.

Disciplinary Probation

A student is placed on probation for any serious misconduct. The probationary time period will be determined by the Principal. This designation is assigned to a student who has failed to demonstrate improvement in conduct after warnings or who has been involved in a serious offense against school policy. Probation is both a formal notification to parents that their child may face possible expulsion if further behavioral issues continue to occur, and as well, a trial period in which the student must demonstrate significant improvement in behavior. A violation of probation may result in immediate dismissal by the Principal if circumstances warrant such action.

Expulsion

Expulsion is a denial of the right to attend school for the remainder of the school year and thereafter. It is warranted when extreme violations of school rules take place, repeated indifference to correction is demonstrated, or the well-being of those within the school community has been jeopardized. This action and the authority to do so lie in the hands of the principal and the Superintendent of Catholic Schools. Parent(s) and student(s) will attend a meeting conducted by administration before the expulsion is finalized. The following list gives examples of student behavior that violate school policy and may result expulsion whether they occur at school or during school sponsored activities:

- Physical or psychological abuse of others.
- Insolence, disrespect, or insubordination of authority.
- Extortion.
- Arson.
- Grave defacing or destruction of school, church, personal property.
- Habitual disruption of school functions.
- Possession of and/or trafficking in alcohol and other drugs, as well as drug paraphernalia.
- Possession of a weapon, or any other dangerous article or look-alike weapon.

- Possession of and/or trafficking in pornographic materials.
- Criminal activity.
- Conduct unbecoming of a Catholic school student.

The principal reserves the right not to re-admit an expelled student. If a student is to be expelled, the student is entitled to a prompt review procedure established by the Department of Catholic Schools. A written request for review must be submitted to the Superintendent of Catholic Schools within 10 working days of the notice of intent to expel. Parents are given the option to withdraw the student in lieu of expulsion.

Searches of Students and School

The school reserves the right to search school property (e.g., lockers, desk), a student's belongings and areas under the student's control in order to enforce school policies, rules and regulations or otherwise to preserve a safe and orderly learning environment.

Continuing Enrollment

Students who demonstrate a pattern of repeated disciplinary difficulties and an unwillingness to change behavior may not be invited to re-enroll in school the following year. A lack of involvement or cooperation by the parents in dealing with behavioral and academic difficulties, and/or ongoing delinquent tuition/fees, may also result in non-renewal of student enrollment. Families who are not current with their financial obligations to the school are not provided enrollment priority for the 2023-2024 school year. Moreover, failure to remain current with these obligations will likely result in the loss of secured enrollment for the 2023-2024 school year.

Rights of the Principal

The principal reserves the right to determine the seriousness of student behavior. The principal will also determine if certain cases of misconduct require stronger measures. The principal may waive any disciplinary rule for just cause.

The hours are as follows: morning (7:00-7:45 AM) and afternoon (3:05-6:00 PM). Any child who participates in the program must be registered and have emergency information on file with the Before and After Care School Program.

When St. Agnes Catholic School has a delayed opening for inclement weather, morning care will be canceled.

Parents are required to follow the times stipulated when dropping off or picking up students. The school is not responsible for supervision of students before or after the times stated above. The school is not liable for any injuries or accidents which may occur before or after the times stated above. If the student is participating in a scheduled, supervised activity before or after the hours noted above, specific arrangements must be made for drop-off and/or pick-up at the designated times. If children are participating in before or after school care, parents must comply with the rules established by the program for drop-off and pick-up.

EXTRA-CURRICULAR SCHOOL ACTIVITIES

Most of our extra-curricular activities are open to all eligible students. In the event there is a maximum student-capacity for an extra-curricular activity, all qualified students may try out to be a participant. The school is committed to providing everyone a fair chance to participate. Unfortunately, not everyone who tries can be accepted. The decision of the moderator, in consultation with the

principal, is final. Parents are encouraged to help their children understand that not everyone will be selected.

FIELD TRIPS

Field trips are considered an integral part of the school's educational program and a valuable learning experience for students. Field trips are scheduled at various times during the school year. In advance of the trip, a permission form, required by the Archdiocesan Department of Catholic Schools, is sent home. A student will be permitted to attend the trip only if the permission form is signed by the parent/guardian and returned to the teacher by the specified date along with payment made to Campus Pay .

If, for some extraordinary reason, a student is unable to participate, fees must still be paid since the rates we are quoted reflect total participation.

If a student is unable to attend because of illness, we cannot promise a refund. The teacher must be notified if a child will not participate in the field trip experience. Students who are kept home from the trip will be marked absent.

Parent(s)/Guardian(s) are encouraged to participate as chaperones on field trips as the need arises. However, because of safety and liability factors, pre-school siblings and other school-age siblings are not allowed. We do not permit parents not selected as chaperones to join the group at the trip destination as this creates confusion. **All chaperones are required to complete the Virtus training. The link for virtus can be found here <https://www.virtusonline.org/virtus/>**

HOME SCHOOL ASSOCIATION (HSA)

An integral part of the school program is the organization composed of all the parents and the school staff. This organization is another link between home and school by which parents are informed of school activities, programs, new trends in education and the role of the parent in the education of their children. The activities sponsored by the Home School Association (HSA) benefit the entire school community, most especially our students.

The Home School Association meets three times a year (September, February & May). These three meetings are intended for parents/guardians only. At least one parent/guardian from each family should plan to attend, please leave your children at home if at all possible. All parents are expected to be involved and active volunteers of this vital organization.

The Manual for Catholic Home and School Associations - [FINALHome and School Association for link.pdf](#)

Parental Involvement

The strength of a school community relies heavily on the support and involvement of all the families whom the school serves. Each family of St. Agnes Catholic School must be involved in at least one of the Parent Programs that serve our students.

Family Service Hours / Volunteer Program

All volunteers must have completed the Application for Volunteer Service, the Volunteer Criminal History Screening Consent Form, provide 3 written references, and have completed the Virtus online video training.

1. Parents with students in Prekindergarten through 8th grade are required to accumulate 30 hours/year, per family, from July 1, 2023 through May 15, 2024.
2. Any family member may volunteer towards the completion of the 30 hours, but all volunteers must be VIRTUS trained if they are participating in an event with children present.
3. The hours also have a monetary value of \$30.00 each (one hour = \$30.00)
4. Other fundraising during the school year also provides an opportunity to earn volunteer hours.
5. **Chaperoning field trips does not count toward volunteer hours.**

Record Keeping

Each family can log their hours in the Google Form, the link will be provided by HSA at the beginning of the school year. Each family will receive a communication from HSA after May 30th of the total number of hours completed.

Families are required to contribute 30 hours of volunteer service to the St. Agnes Catholic School community, if this contribution is not met by May 30, 2024 families will incur a fee of \$900 (this fee is incurred if a family does not submit volunteer hours). This fee if incurred should be paid by money order or cashier's check to St. Agnes Catholic School.

For Example - At the end of the school year, the Adams Family had a total of 20 volunteer hours by the May 15th deadline. The Adams family will be billed \$300 for the 10 hours remaining.

This program meets the requirements of fees that need to be met by the end of each school year. See TUITION and FEES in this book.

PARENT COMMUNICATION ON SOCIAL MEDIA

If social media posts reference St. Agnes Catholic School or the administration, faculty, staff or students, parents are expected to use commentary which is courteous and productive. Using social media sites to publish disparaging or harassing remarks about the St. Agnes Catholic School community or any of its members is contrary to the positive partnership St. Agnes Catholic School expects of its families. Furthermore, parents or family members who choose to post editorial content to websites or other forms of online media must ensure that their submission does not reflect poorly upon the school. **Continued violations of this policy will result in termination of the social media page permanently.**

EMERGENCY CLOSING, LATE OPENING, EARLY DISMISSAL

In the event of inclement weather or other school related emergencies, St. Agnes Catholic School will follow the same procedures as the Baltimore County Public Schools System. All announcements will be made on WBAL and a message sent via ClassDojo and the K-Swift Notification system.

Should emergency situations arise that would affect only St. Agnes Catholic School, a special announcement will be made on WBAL.

SCHOOL INSURANCE

Forms for school insurance are available through FACTS to each student at the beginning of the school year. Parents have the option of enrolling their children in this program and are asked to abide by the deadline announced for enrollment.

SCHOOL NURSE

A licensed nurse is on staff. If a child becomes ill at school, parents will be notified and asked to pick up the child. Please do not send any child/children to school that has given an indication that he/she is not feeling well.

Families are asked to notify the school nurse of any serious injury or illness that would involve restricted activity, i.e. fracture, bad sprain, surgery, etc. A note from the doctor is needed for activities restricted for one month or longer in order to be excused from physical education.

Medication can only be dispensed with a written order from the student's physician, specifying start and stop date by the school nurse or med tech. The original medication container or box for inhalers must be brought to the school. These containers or boxes should include the following: name of medication, directions for use, time for dispensing, name of doctor ordering the medication, date of prescription, expiration date as stated by the pharmacist, strength of medication/dosage, and student's name and grade.

Students may not possess, dispense or distribute medication on their own. Under special circumstances, individual students may be authorized by their physician to carry and self-administer emergency medications (e.g. inhalers, epi-pens). In this case, the school nurse must be consulted. All medication must be delivered to school by a parent/guardian.

HEALTH AND SAFETY

Nut Free School

St. Agnes Catholic School is a nut free campus. Students are not allowed to bring products to school containing nuts.

AHERA

In October 1986, the U.S. Congress enacted the Asbestos Hazard Emergency Response Act (AHERA). Under this law, comprehensive regulations were developed to address asbestos problems in public and private elementary and secondary schools. These regulations require most schools to inspect for friable and non-friable asbestos, develop asbestos management plans that address asbestos hazards in school buildings and implement response actions in a timely manner. Our program for fulfilling these responsibilities is outlined in our asbestos management plan. This plan contains information on our inspections, re-inspections, response actions and post-response action activities, including

periodic surveillance activities that are planned or are in progress. The plan is kept in the principal's office and may be viewed upon request during normal business hours.

Maryland School Immunization Requirements

A child may not enter school, unless he/she has submitted an official immunization record or other appropriate documentation of immunization status. The immunization record must have the month, day and year of each vaccination and be signed by a physician or health department official. In the case of religious objection or medical contra-indication, form DHMH 89, must be submitted and kept on file and be approved by the school. Exempted students are to be excluded from school if there is an outbreak of the disease for which they are not immunized.

Dispensing of Medication

The administration of medication in school is discouraged. However, if a student's physician recommends that the student receive prescription or over-the-counter medication during the school day, a written order from the physician is required. Medication can only be dispensed with a written order from the student's physician, specifying start and stop date by the school nurse or med tech. The original medication container or box for inhalers must be brought to the school. These containers or boxes should include the following: name of medication, directions for use, time for dispensing, name of doctor ordering the medication, date of prescription, expiration date as stated by the pharmacist, strength of medication/dosage, and student's name and grade.

Students may not possess, dispense or distribute medication on their own. Under special circumstances, individual students may be authorized by their physician to carry and self-administer emergency medications (e.g. inhalers, epi-pens). In this case, the school nurse must be consulted. All medication must be delivered to school by a parent/guardian.

Exempted students are to be excluded from school if there is an outbreak of the disease for which they are not immunized.

Head Injury

If any injury to the head or any other serious injury occurs to a student, the nurse will call the parent and send home a report. The report is to be signed by the parent/guardian and returned to school. If the parent/guardian or alternative contact person cannot be reached in an emergency, the school will contact police/ambulance for assistance.

Allergies

Parents must notify the school of their child's allergies including food allergies. School medication orders must be renewed each year by the physician and the order must be signed on or after July 1. If the student carries an EPIPEN with them, the physician must state this requirement on the order.

Epinephrine

As of September 3, 2019, St. Agnes Catholic School has adopted a policy allowing the availability of stock epinephrine in the health suite for use in the event of an anaphylactic emergency. This epinephrine is for emergency use during normal school days and is not dependent on allergy history. It is not available outside of normal school hours or on field trips. Students with a known history of severe allergies are still expected to maintain emergency action plans, medical orders, and their own supply of emergency medication.

Bloodborne Pathogens

A complete Bloodborne Pathogens Standard Exposure Control Plan has been established by the school and can be found on file in the nurse's office.

Vision/Hearing Screening

The school follows the directives of Baltimore County Health Department and responds to parent's requests for individual testing. This testing is usually done for all students in Grades Pre-K, Kindergarten, 1st, 4th, and 8th as well as for new students in all other grades.

Child Abuse and Neglect Reporting Policy and Procedures

Maryland law requires that all educators and other school employees, including volunteers, report suspected child abuse or neglect to the proper authorities in order that children may be protected from harm and the family may be helped. Our school policy supports Maryland laws in this regard and requires that all school staff report suspected abuse and neglect to the Department of Social Services, Protective Services Division, and/or the local police department, as well as to the principal.
